**DETAIL & FUNCTION**

**1,2. Adjustable Headrest (Optional)**

The headrest is height adjustable, especially, it helps the user's head maintain comfortable position all the time by natural reaction when tilted.

**5,6. Adjustable Armrest**

The armrest is height adjustable depending on user's preference, and it also offers additional forward/backward, left/right and angle adjustment.

**8. Adjustable Seat**

The depth of seat is adjustable up to 60mm depending on the user's preference.

**3,4. Adjustable Lumbar Support**

The lumbar support is height and depth adjustable.

**7. Highly Elastic Soft Mesh**

K10M chose highly elastic soft mesh for both backrest and seat to provide customized comfort.
