

K20

SIT IN JOY. K20

LLEAP

K20

will satisfy clients' needs in every possible way.
K20 is the best chair which meets the most with the least.

K20 is characterized as a minimalist by its simple design, but a very smart chair having its minimum options an office chair should have, the Weight Balance Tilt that automatically adjusts the back/seat tilting tension in response to the weight of users, the refined style and the various color options of back & seat.

Simple Is the Best, K20

K20 is a smart task chair engineered to provide the most comfortable support for every user, as well as offering simplicity and complete ease of use. Minimal adjustments provide ease of use for improved user comfort.

K20 MESH BACKREST

K20 with finely elastic mesh always gives you comfort feeling of seating.

K20 PADDING BACKREST

Padding back type supplies you more comfortable and cozier feeling of seating.
