Description of product design

The breezy paddy fields;
The trees of cicadas in summer;
Green and quiet mountains;
Cool and penetrating streams;

In this era of industrial prosperity and development, we have gradually disappeared from our vision. When we grow up, it is hard for us to go back to such an environment. In order to relive the beautiful environment in childhood and make the office have such a nice and fresh feeling, we design a series of office products with nature as the element - Glen.

Glen homonym "Green" has the meaning of Green nature. Glen side leg is made of natural white ash solid wood. The decoration of these natural elements makes the office full of fresh and comfortable, and makes people feel relaxed and happy.
